2022 HIGHLIGHTS FOR SOLES4SOULS Together we...

- ☀ Collected new and used shoes and clothing in 34 countries and all 50 U.S. states and turned them into opportunities. Our programs are good for the planet, and they make a positive difference in people's economic, educational, physical and psychological well-being.
- ☀ **4EveryKid** – partnered with 93 U.S. based school districts and organizations to serve over 40,000 kids experiencing homelessness with a pair of brand-new athletic shoes. The response from students, teachers and administrators continues to move & motivate us to scale this program in 2023.
- ☀ **4Opportunity** – reached a tremendous milestone, creating over \$15 million of economic impact in Haiti for 500 women entrepreneurs and communities since 2018. In addition to scaling our programs in Haiti, Honduras and Moldova, we also piloted 4Opportunity in Guatemala and the Philippines expanding our reach of creating jobs and entrepreneurial opportunities across 53 countries and 5 continents.
- ☀ **4Relief** – served over 242,000 Ukrainian refugees across Eastern Europe with new shoes, clothing and accessories totaling more than \$20 million in retail value. Unfortunately, the need continues but so does our collective impact towards these efforts, allowing families to use vouchers to shop for items that they need most as they secure housing, job opportunities and put their best foot forward.
- ☀ **4thePlanet** – diverted 8,805,410 pounds of textiles from local landfills and put them to good use through all the above efforts and beyond.
- ☀ Directly advanced 10 of the 17 United Nation's Sustainable Development Goals (SDGs)

Team Debrand Services, thank you for investing in the mission of Soles4Souls and being such an important partner in helping us uniquely serve so many people, near and far!
